

CME-CPD Accreditation

Accreditation Statement & Credit Designation

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The **62nd Annual PTCOG Conference**, Singapore, Singapore 10/06/2024 – 15/06/2024, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **34.0 European CME credits (ECMEC®s)**. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Further information: <https://eaccme.uems.eu/>

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of *AMA PRA Category 1 Credits™*. Information on the process to convert EACCME credit to AMA credit can be found at <https://www.ama-assn.org/education/ama-pra-credit-system/agreement-european-union-medical-specialties-uems>

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal

College of Physicians and Surgeons of Canada. For more information, visit <https://www.royalcollege.ca/ca/en/cpd/royal-college-accredited-cpd-providers/international-accreditation-agreements.html>

Credit Breakdown

Each participant should claim only those hours of credit that he/she actually spent in the educational activity.

Day	Maximum Credits
10/06/2024	7
11/06/2024	7.5
12/06/2024	7
13/06/2024	6
14/06/2024	6.5
Total Credits:	34

Medical Dosimetrist Certification Board (MDCB)

The **62nd Annual PTCOG Conference & 4th PTCOG-A0 Meeting** has been approved for continuing education credits for Certified Medical Dosimetrists by the Medical Dosimetry Certification Board (MDCB). This recognition underscores our commitment to providing top-tier educational opportunities for medical dosimetrists worldwide.

The Medical Dosimetry Certification Board (MDCB), formally incorporated in 1988, is the recognized certifying agency for Medical Dosimetry in the United States. Further information: <https://mdcb.org/>

Activity numbers can be found [HERE](#) and will be distributed to

the attendees for the sessions they attended.

Please note that certificates will not be issued at the conference. Instead, the provider will send an attendance to MDCB. This feature allows for the auto-population of CMD learning plans/transcripts with completed and accepted activities.

Educational Objectives

After participating in this educational event, learners should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Discuss the latest technological and clinical innovations in particle therapy.
- Identify educational resources, networks, and others for the exchange of knowledge and learning about particle therapy
- Enhance the dialogue on Proton Therapy Advances.
- Discuss the current research projects within the Particle Therapy Co-Operative Group (PTCOG) and enhance opportunities for future collaboration between groups of young researchers.
- Discuss the latest developments in the practical clinical application of particle therapy.
- Describe diagnostics and treatments in the field of particle radiation therapy.

Target Audience

The 62nd Annual Conference of the Particle Therapy Co-Operative Group is the global meeting place for scientists and clinicians in the field of particle radiotherapy. Because of the diverse, clinically focused educational offering, participants can tailor the curriculum to meet the needs of

international clinicians of all levels of experience.

To Receive Your CME/CPD Certificate

The CME/CPD certificate will be available after completing the online evaluation and credit claiming procedure. The process takes about 5 minutes. We thank you for your feedback as it is an important part of CME/CPD accreditation and helps improve future educational offerings.

Before 15th of September:

- Access the online system via the following [link](#)

Please note that web browsers Mozilla Firefox 2.X or higher, or Google Chrome are recommended

- Complete the anonymous online evaluation
- Complete the credit claim form and submit
- The CME/CPD certificate will be available for download; and retain for your personal records

Kindly note that the PTCOG 2024 online evaluation will be active on the last day of the meeting. You will then be able to access it and claim your CME/CPD certificate.

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest are resolved. Disclosure is made to participants prior to the activity. Participants

will be asked to assess the objectivity and independence of the event during the evaluation.

- Disclosure information can be found [HERE](#).

Industry Support Disclosure

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgment of all supporting organizations is made in the program guide, on the event website, and with signage during the event.

- View a list of all industry supporters [here](#).
- View detailed programs for all Industry Sessions [here](#).

Commitment to the Highest Standards in CME/CPD

Kenes is committed to being a valuable and knowledgeable partner in the design and delivery of educationally strong, independent, transparent, and effective CME/CPD programmes. Kenes is a proud member of the [Good CME Practice Group \(gCMEp\)](#), a member organisation contributing to improving health outcomes by:

- Championing best practice in CME/CPD
- Maintaining and improving standards
 - Mentoring and educating
 - Working in collaboration with critical stakeholders

Membership in the Good CME Practice Group illustrates Kenes commitment to high standards and knowledgeable partnership with its clients in the design and delivery of medical events.
