All goods imported into Singapore are subject to the Goods & Services Tax (GST) when sold, consumed, distributed, disposed, donated or given away in Singapore. The GST payable is 9% of CIF value indicated on the invoice is and subject to the Customs & Excise final appraisal of the imported goods value. Brochures, pamphlets, newsletters, advertising material and giveaways of any kind will automatically be imported for local consumption with non-refundable GST paid upon import.

TEMPORARY IMPORTATION

There are two options available to exhibitors in obtaining GST and duty exemption for exhibits entering Singapore for display and subsequently re-exported.

EXHIBITION CLOSING PROCEDURES & RETURN MOVEMENT

The following documents will be distributed to exhibitors before closing:

- A copy of the List of Exhibits previously submitted to customs

Exhibitors are requested to declare on their disposal form the number of packages, value, and weight/volume of each product within the following categories:-

- sold
- to be returned (port of destination/mode of transport)
- consumed/given away

Return consignments will be dispatched on a freight 'prepaid' basis upon full payment of our handling charges in Singapore or on 'collect' terms via a shipper's disbursement. (Please note that we are not in a position to handover any return freight to other third party agents as

temporary import guarantees are lodged in our name and customs formalities must be cancelled at the time of exportation). We will be pleased to provide you with a quotation upon request.

The maximum term for temporary importation is six weeks (3 weeks prior to exhibition show opening date and 3 weeks from the show closing date). Any extension will be subject to Customs approval.
